SUBJECT: FILING OF "OUT OF STATE" GROUP INSURANCE
 PLANS PER IDAHO CODE SECTION 41-1812

APRIL 24, 1985

Effective immediately, the following guidelines will apply to the filing of group insurance plans which are designated as "out of state" plans. Such plans are those where the master policy and/or insured group are domiciled outside the State of Idaho.

- (1) All such group insurance filings will be made in accordance with Idaho Department of Insurance Bulletin No. 83-2 (June 1983).
- (2) All filings must include the master group policy as well as the individual certificates.
- (3) If any such plan is being filed for "informational purposes" per Idaho Code Section 41-1812, this should be clearly stated on the transmittal letter, along with written justification for such a request.
- (4) Transmittal letters for such plans shall contain an explanation of how the plan of insurance will be sold to Idaho citizens. Bulletin No. 83-2 referenced above already includes a requirement for advertising.

When such filings are received, this Department will make a determination as to the applicability of Idaho insurance laws and regulations and process the filing accordingly.
